VOLUNTARY STATEMENT

Witness/Victim

I volunteer the following information of my own free will, for whatever purpose(s) it may serve.

Denny and I were in the Bible study room with group two. Roy Rodriguez came in and sat to my left area and at one point spoke something in Spanish to Johnny Marquez. As everyone got seated Roy Rodriguez jumped up and walked in front of me toward my right and began to accuse another man who I knew to be Willie of doing something against him. Roy stood over Willie who was still seated and began to punch him with his fists in the face. Willie went to the ground and I told Roy to stay back. I told Willie to move farther away and I stayed between them. Roy continued a verbal assault on Willie until the jail staff arrived and took him out. Willie was bleeding from the nose and the jail staff took him out as well. Willie later returned to Bible study.
